ABOUT US

Admyted Educational Counselor, is a one-stop solution for all your study abroad needs. We guide students to find their dream universities after their 12th or graduation. Our core activity lies in assisting students to make the right choice with regard to pursuing education at overseas institutions. By associating with 700+ universities in 26+countries, we strive to provide end-to-end guidance to students, from profile evaluation to post-landing assistance.

Admyted Educational Counselor, an establishment that has more than 8 years of experience in the education sector. With thousands of students fulfilling their dream of graduating every year from a foreign university, we are proud to say that Admyted has always put the needs and interests of its students first and has equipped itself to always be ahead of the curve.

VISION

To be the best and most trusted educational service provider in India, that transforms student's lives by providing a customised counselling experience that prioritises their preferences and helps them match the same with the multitude of educational opportunities available globally. And, through this to make global education more accessible to the student community.

MISSION

At Admyted, our mission is to become the ultimate global hub for educational guidance, delivering a seamless and personalized counseling experience tailored to each student's unique preferences and aspirations. We aim to empower students with high-quality, thoroughly researched knowledge, helping them achieve their dream of a world-class education.

Our vision extends beyond students—we strive to build strong partnerships with top international universities and institutions, unlocking endless global opportunities. By bridging the gap between ambition and achievement, we pave the way for students to access the finest education worldwide.

STUDENTS REVIEW

Rahul

I had a great experience with Admyted Educational counselor for my UK student visa. My representatives were really helpful in suggesting the best course and college for my profile and I was able to get my offer letter within 1 week. Then the Visa application process was handled well by the team. Overall I was really happy to choose Admyted educational as my study abroad consultant

Garima

I would like to thank Admyted Educational counselor for helping me with all the required procedures in getting me the UK student visa. Admyted was so professional in their way and even spent their personal time fulfilling what they assured to complete.
